Dear Premier Eby:

On behalf of BCPS Employees for Freedom and United Health Care Workers of BC, we would like to extend an invitation to you to participate in an online forum to engage with our members about the upcoming provincial election.

As you may be aware, BCPS Employees for Freedom (BCPSEF) and United Health Care Workers of BC (UHCWBC) are dedicated not-for-profit societies advocating for the rights and well-being of provincial public servants and healthcare workers. With the forthcoming provincial election scheduled for October, our members are keenly interested in learning about the platforms and policies of all major political parties.

We believe that your presence at our forum would provide our members with a valuable opportunity to hear firsthand about your party's vision and plans for the province, particularly in areas concerning medical privacy and bodily autonomy for public servants, healthcare workers, and all citizens.

The forum will be conducted via Zoom, offering a convenient and accessible platform for you and our members. We are flexible about the timing of the event and are prepared to accommodate your schedule to ensure your participation.

The format of the forum will include a presentation from you followed by a question and answer session, allowing our members to engage directly with you on issues of importance to them.

We anticipate that your insights and perspectives will greatly benefit our members as they consider their choices in the upcoming election. Your participation would demonstrate your commitment to engaging with stakeholders and addressing the concerns of our members.

Please let us know at your earliest convenience if you are available and willing to participate in our forum. We would be delighted to work with you to coordinate the details and ensure a smooth and successful event. We can be reached at [media@bcpsforfreedom.com](mailto:media@bcpsforfreedom.com).
