We are supporting a legal campaign to **bring accountability and justice for the B.C. government's proof of COVID-19 vaccination mandate** for B.C. Public Service employees that resulted in unnecessary wrongful terminations, early retirements, and the **violation of 38,000 public servants' medical privacy and bodily autonomy.**

Please help us raise

\$500,000

by April 2025
to support the
plaintiff in the
CLASS ACTION
